## Call for Abstracts

### International Conference

## Overcoming Challenges in Active Ageing 2014

### Theme: Active Ageing

**Date: 28 February 2014 (Friday) – 1 March 2014 (Saturday)**

**Venue: Lecture Theatre 5, THEi Building, 20A Tsing Yi Road, Tsing Yi, New Territories**

The Technological and Higher Education Institute (THEi) of Hong Kong is organising the International Conference entitled Overcoming Challenges in Active Ageing. The aim of the Conference is to provide a platform for researchers, health professionals, engineers, IT professionals, product designers and financial consultants to share and exchange their experiences and expertise in the area of elderly care, as well as facilitating active ageing. The Conference invites submissions of extended abstracts in the form of a synopsis. The abstract should be in the broad area of elderly care and facilitating active ageing.

Topics include but are not limited to:

- The Present and Future Challenges of Ageing
- Social, Behavioural and Biological Science
- Clinical and Community Policy and Practice
- Technology and Active Ageing
- Age-friendly Designs
- Financial Needs, Policy and Issues

Please submit your abstract by email to the Conference Secretariat ([ocaa@vtc.edu.hk](mailto:ocaa@vtc.edu.hk)).

**Abstracts are welcome for oral presentations.**

All abstract submissions will be reviewed by a Programme Committee. The abstract should be written in English and limited to a maximum of 400 words. A concise description of the research work and the associated key findings should be included in the abstract. Works that are in the proposal or early stage of the research without any preliminary findings will not be considered. Full papers will not be required. The floor language of the Conference is English.
