International Conference

Overcoming Challenges in Active Ageing 2014

28 February to 1 March 2014

About the Conference

The Technological and Higher Education Institute (THEi) of Hong Kong is organising the International Conference entitled Overcoming Challenges in Active Ageing. The aim of the Conference is to provide a platform for researchers, health professionals, engineers, IT professionals, product designers and financial consultants to share and exchange their experiences and expertise in the area of elderly care, as well as facilitating active ageing. The Conference invites submissions of extended abstracts in the form of a synopsis. The abstract should be in the broad area of elderly care and facilitating active ageing.

Topics include but are not limited to:

- **The Present and Future Challenges of Ageing**
- **Social, Behavioural and Biological Science**
- **Clinical and Community Policy and Practice**
- **Technology and Active Ageing**
- **Age-friendly Designs**
- **Financial Needs, Policy and Issues**
